

Welcome to Our Side of the Divide. We invite you to enjoy a drive through our countryside, made up of orchards, vineyards, farms and ranches. Take home some wine, fresh greens, tree ripened fruit and other farm fresh products.

Watch for the banners along the roadside. They are displayed when a visit or tour is available and not visible when the producers are in the fields.

Thank you for spending time on Our Side of the Divide.

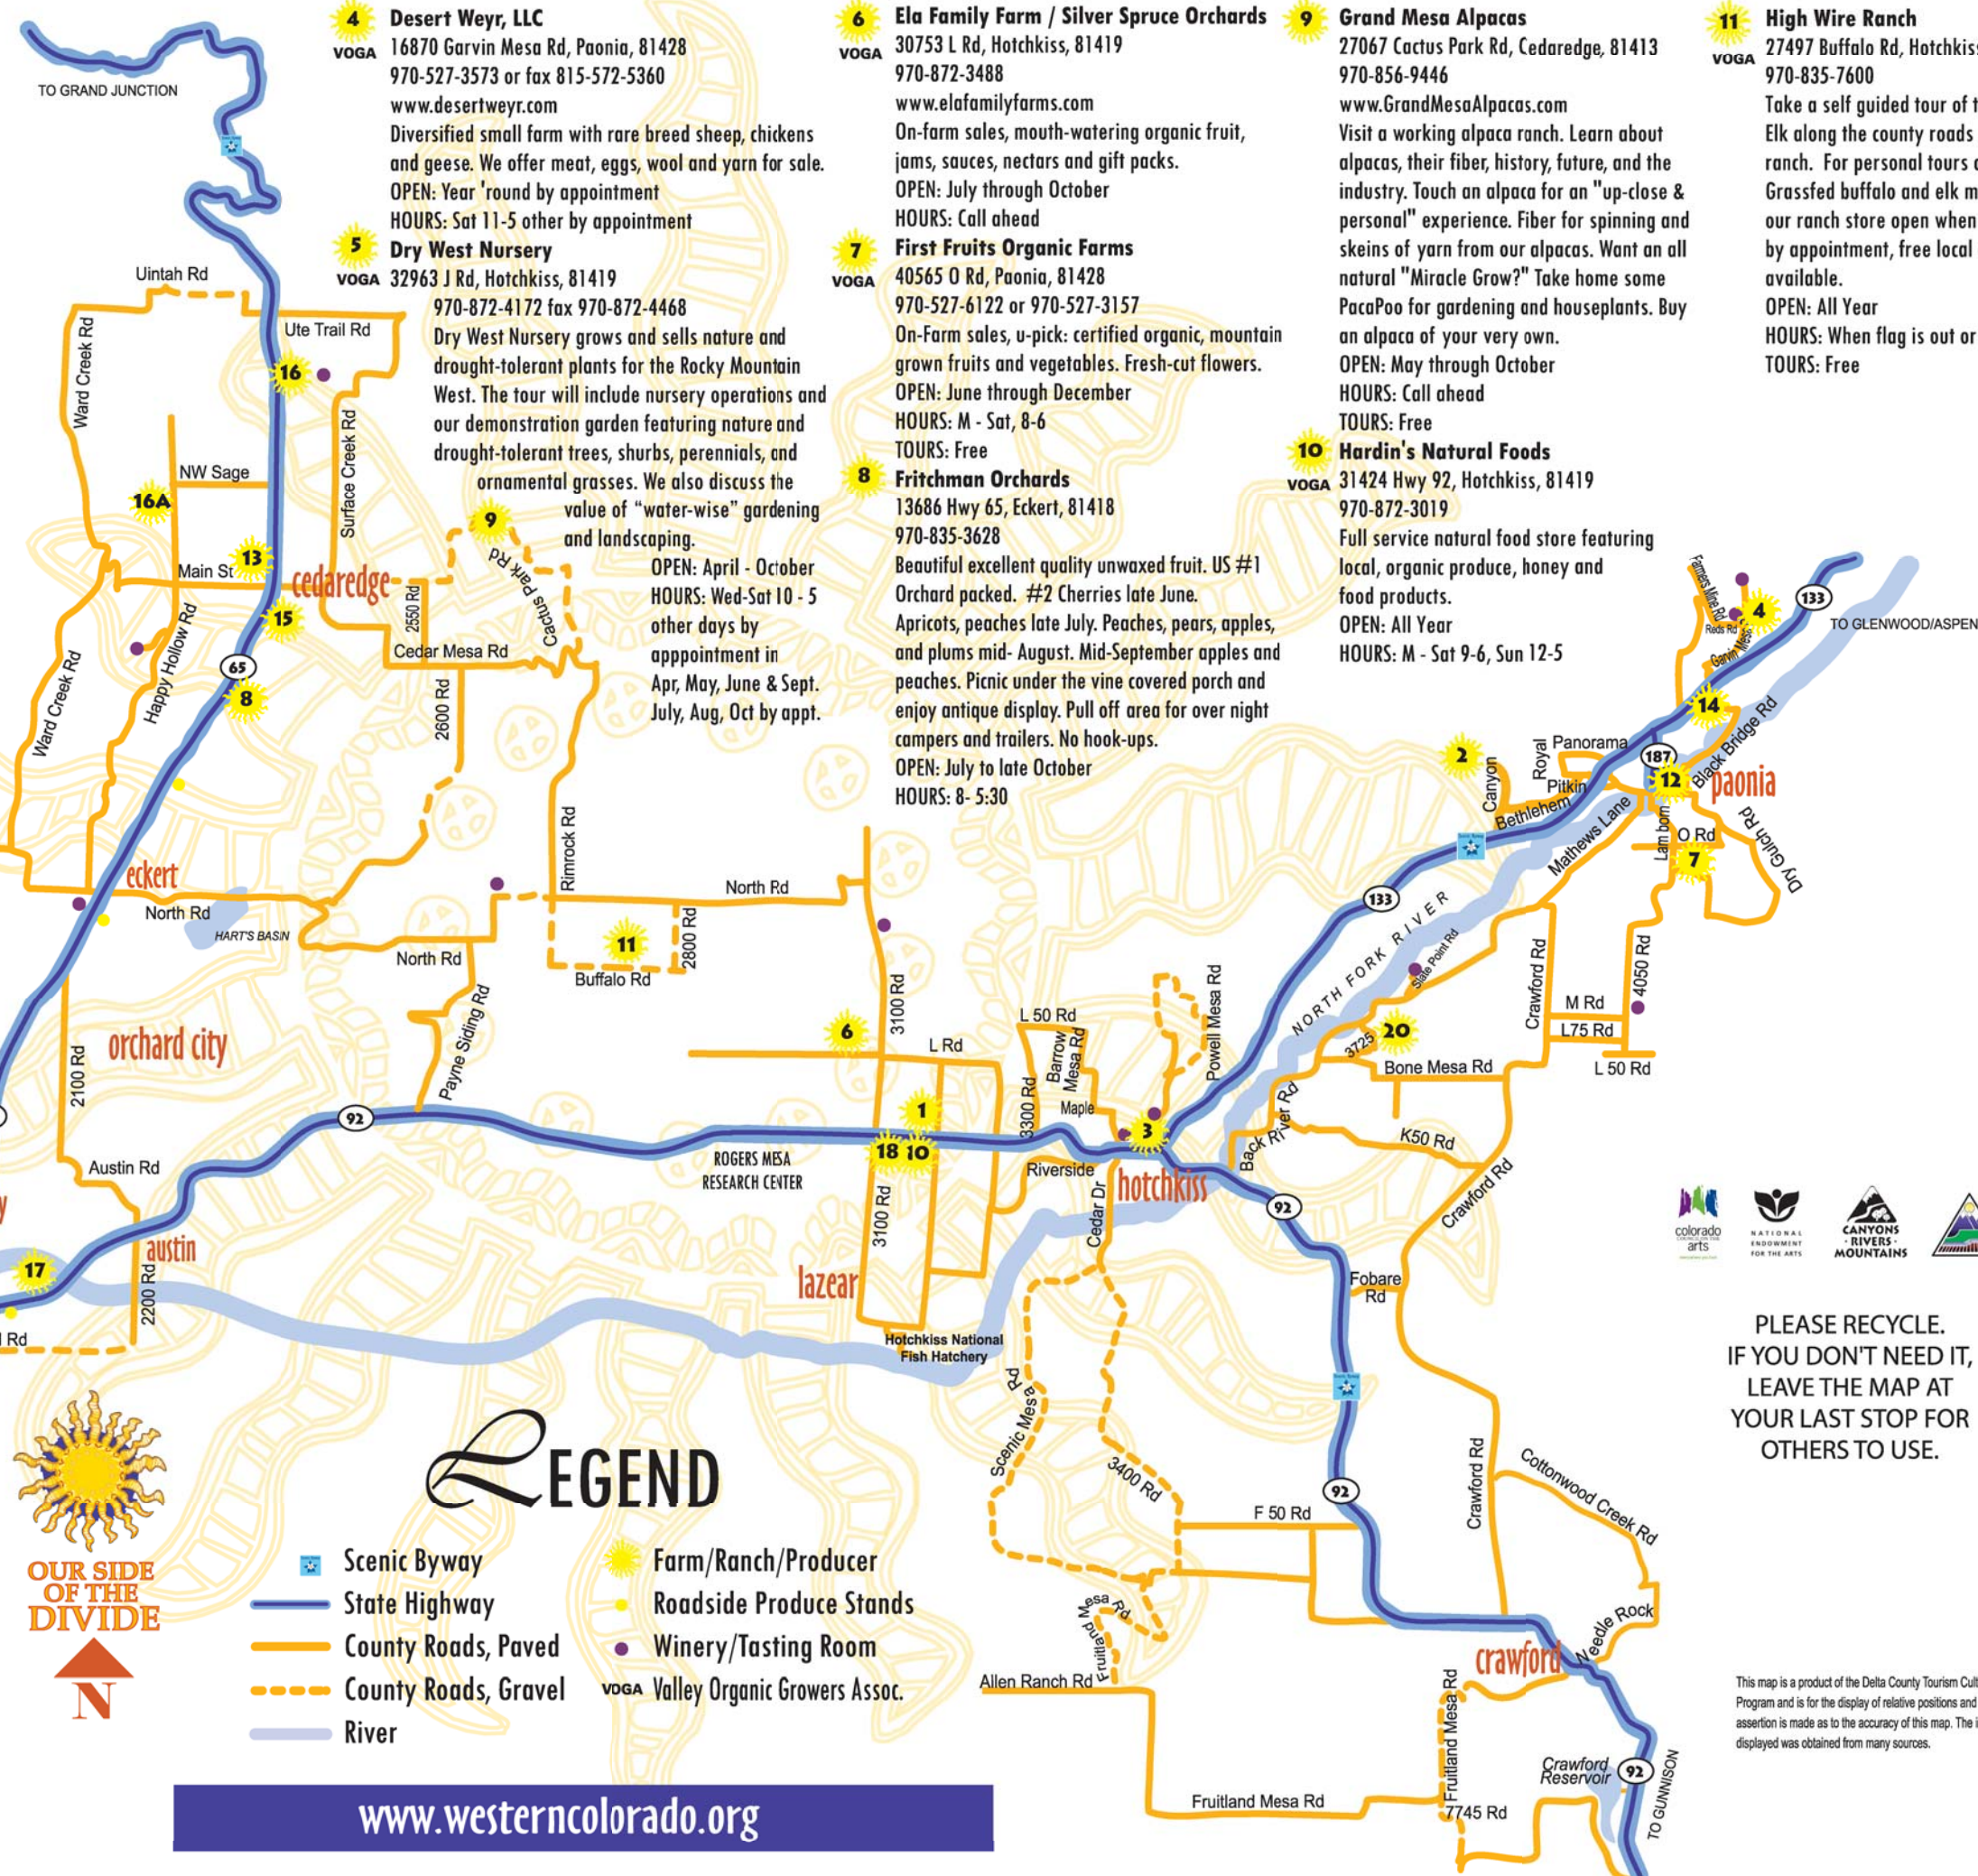

This activity is supported by funding from the Colorado Council on the Arts, a state agency funded by the Colorado General Assembly and the National Endowment for the Arts, Federal Agency.
